marriage was authorized by Concord MM, PA, 13-8-1707,

(Note: Although Gilbert Cope as shown above, gives
the date of the death of Robert Dutton as 1725, the
Nottingham MM minutes, vol 1, p 102, indicates that
his death was in 1735; this is shown by an inquiry by
a comm apptd to examine into the settlement of his

Dutton & John Underhill, widower, had appeared &
declared their intentions of marriage in 11mo (Jan)

John

rptd 21-9-1730 by E Nottingham PM to have been "visiting families and preaching & praying with them in their homes, contrary to the sence thereof"; a comm was apptd to visit him which they did, but it did no good; he also disturbed assembled mtgs in same way; no remonstrances stopped him. Finally the mtg dis him, 18-7-1731, on his refusal to stop. On 20-10-1740, he sent a paper, signed, saying he now believed he had been mistaken & was sorry for it; this was acc & he was rst; he was recommended a minister in 1746; and was gct Neward MM, PA, 20-10-1746 to m Mary Messer (name was doubtless Mercer, not Messer); he ret with his wife, Mary (who was rocf Newark MM, PA, 20-4-1747 by the Women's Mtg, p 119), & he resumed his disliked preaching, until he was finally forbidden to preach at all; he condemned his expressions, but it did little good, as "Friends do not own his ministry." But later on, both continued to interrupt the solemnity of the mtgs, & Mary refused to even permit Friends to visit her; she was finally dis 21-2-1756.

On 21-6-1742 it was rptd by our comm that they had visited Timothy & w Ann & had found the report true that they (the parties) had committed fornication before marriage, & had not so informed this Mtg; they (the parties) brought an ack on the 21st of 6mo-1742 admitting their guilt, which this mtg accepts "and appoints John White to read the said paper in a public meeting of E Nottingham & that the said Timothy & his wife be present at the reading standing and showing their assent thereto."

Timothy (son of Roger) & Lydia "Shepherd" were married the 13th of 3 mo, 1762

MORGAN

Morgan Family:

E Nottingham PM "informs (17-11mo(Jan)-1735/6) that the familie of the Morgans are of such behaviour one with another, as is a matter of gross scandal to our profession. Jeremiah Brown, John Everitt, John White & Wm Brown are appointed to take an opportunity & inform them, that unless they condemn ye same & amend for ye future, Friends must disown them." This comm rptd 17-2mo (Apr) 1736 that the Morgans live so far distant that it is difficult to speak with them; with Jacob Kirk added to them, they continued. On 15-3mo (May) it was rptd that Jacob Kirk had "rem from hereaway"; so John White & John Churchman were added to join the other men "In order to deliver the message of ye mtg to them if possible; and if those of them who are most faulty do not appear to give satisfaction, to prepare a testimony against them." At the mtg held 16-8-1736 John & Robert Morgan were dis; "the former for drunkenness & the latter for fighting with his brethern & giving extreme bad language; the rest are continued under care & farther dealing for awhile; except Joseph, who being guilty of the same disorder of fighting with his brother Robert; John Piggott & John White are appointed to inform him that unless he speedily makes satisfaction he will be dis likewise." On 21-3-1752 Bush River PM informed that David Morgan "hath been guilty of drinking strong liquor to excess & using unbecoming language"; he was dis, but before the testimony was read, he produced a paper, which was acc as satisfaction, and the charge erased.

William (concerning his Mulatto Woman named Dinah & her 2 ch)
I, William Rogers, of E Nottingham (MD) late of the county of Chester in Pennsylvania, being sensible that the practice of slave-keeping is contrary to justice & equity, and having been for a considerable time past, desirous to secure freedom to all that are under my care, do hereby make known at this time to all persons whom it may concern, that I do freely, fully and absolutely, set free a Mulatto Woman which was brought up in my family, named Dinah, together with her two children whose names are Abigail & Ann; the first of which was three years old the 22nd day of the 6th month

last past, and the youngest was born the 22nd day of the same month in this present year; and I do hereby declare that from and after the date hereof, she is acquitted, discharged from her servitude with her said children: Abigail & Ann, from any further claim as bond servants, either of me, or my heirs, executors or administrators; but that they, the said children are entirely at her disposal; and in consideration of her past service to me and in my family, I have allowed and do propose to allow her certain privileges, of providing bedding and several other necessities for herself to begin with; & to find her a house to live in, and half an acre of ground for a garden on my land--rent free for the term of eight years now and ensuing together with the privilege of fire-wood for her, to be had off my land where it may suit best; all which I propose as a compensation for the time she has served me since she was eighteen yrs of age; being now about twenty-five years old, & eight months. In witness whereof I have hereunto set my hand and seal, this Nineteenth Day of the Tenth Month in the Year of Our Lord One Thousand Seven Hundred & Seventy-Five.....1775 (Signed) William Rogers (Seal)

ROSS
Alexander

& w Katharine (Chambers) were among the charter mbrs of Nottingham MM, 1730. Alexander Ross, a Friend, migrated fr Ireland, and settled within the bounds of Chester MM, PA, late in the 17th Century. In 1706 he m Katharine Chambers, of Chichester, now Delaware County, PA, & in 1713 removed to Haverford, PA, same county. In 1715 he returned to Chester Mtg, and fr thence to New Garden MM, PA, where he lived within the bounds of Nottingham. When Nottingham MM was set off fr New Garden MM, in 1730, he became transferred to the new MM (Nottingham), automatically, because his residence fell within the bounds of the new Nottingham MM. He was an active mbr of Nottingham MM, until 1732, when he made a public sale of his personal property, preparatory to his removal to Virginia, where he and a number of Friends fr Pennsylvania had procured from the Governor of VA a tract of 100,000 acres of land in the Shenandoah Valley, on which they were to establish some 70 Quaker families. This tract was on the river Opekon; a mtg was established there which was later called Hopewell. (See Hopewell Friends History) The children of Alexander & Katharine (Chambers) Ross were Mary, Lydia, Rebecca, John, George & Albinah. Hopewell

ROSS (Cont)

Alexander (Cont) History says that he had sons David, John & George. His dt Mary m John Littler; Lydia m John Daye; Albinah m Evan Thomas Jr; Alexander Ross died in 1748; an epidemic soon thereafter carried away to death his sons John & David, his son-in-law, John Littler, his wife, Catharine, & several neighbors, all dying within a few weeks. Alexander Ross was brought over to PA in 1693, aged 11yrs as a servant to Caleb Pusey, to whom he was bound until 21. He was associated with Morgan Bryan (non-mbr) in the settling of the Shenandoah Valley, VA, by Pennsylvania, NJ, Del, MD & VA Quakers.

Alexander 18-3-1734 on behalf of Opeckon Friends, requests a Mtg for worship be settled there. It has been for some time settled there.

TALBOTT (Cont)

John is complained of 4-10-1755 by Deer Creek PM as:
 "a mbr of our Society (tho he has not yet produced a
 cert to this mtg) & James Webster, s of Isaac Webster,
 have lately been guilty of beating one Richard Ruff
 in an inhumane manner"; comm apptd; on 15-11-1755
 the comm rptd that the sd John Talbott & James Webster
 were willing to make satisfaction, the person so
 beaten by them is now dead & therefore, they could not
 make things right with him; on 17-1-1756, the comm rptd
 that the two were anxious to make satisfaction, this
 mtg feels that altho the person abused be dead, they
 ought to try to become reconciled with his widow;
 on same date, is the following minute: "John Talbott
 two mos ago prcd fr West River MM, MD, dtd 27-6-1755
 for himself & wife, which was read & rec; yet there
 is no acc of their conversation & conduct therein
 mentioned; the Clk of this mtg is ordered to write
 to that mtg "to know whether that was a casual omission
 or designed." On 21-2-1756 our comm rptd they had
 accompanied John Talbott & James Webster to visit the
 widow of Richard Ruff, dec, & "were in a measure
 reconciled with her, yet the belief that their beating
 was the occasion in some measure of his death, their
 endeavors at reconciliation with the widow doth not
 seem fully to wipe out the imputation of blood;
 another circumstance of the abuse to sd Ruff's
 servant man before, appearing now also against them.
 This mtg feel best to disown them." Both dis 20-3-1756.
